

2016 30 Hour Famine

Academia Sinica Faith-Hope-Love Club DIY Famine

Due to one of the strongest El Niño events of the last 50 years, millions of children in Africa, Latin America, and the Pacific languish in hunger. In Taiwan, children in economically vulnerable families continue to struggle, but they wish only for a glimpse of a brighter future.

The 27th 30 Hour Famine needs your helping hand

**Stand up, be a hero,
and fight hunger by experiencing hunger**
